Our Neighbor

Bob Wiese

Bob and his late wife, Harriett, were the first residents of Bayshore Village. They moved from Chatsworth, California, in December 1985, after Bob retired from a career as a nuclear engineer with North American-Rockwell Corporation. At that time, there were only 24 homes and the Clubhouse.

Bob lived through the trials and tribulations of the early years of Bayshore Village in which each of the three phases of our complex faced major completion challenges. He served as the first HOA President and eventually held every office on the Board of Directors. Bob authored our first bylaws, rules and regulations. Up until last year, he was a member of the Budget and Finance Committee, having served on that Committee since its inception.

Among Bob's interests is music. He plays the bassoon in the Morro Bay Whitecaps Band as well as in the San Luis Obispo County Band. And, he collects antique music boxes and has a beautiful collection at his home.

You will see Bob walking in the neighborhood every day with his adorable little dog, Dobie, who Bob adopted from Woods Humane Society last year.
